

NEVADA TEST SITE (NTS) ADVANCE SHIPMENT NOTIFICATION FORM

Note: If unable to enter shipping information in the Bechtel-Nevada (BN) HAZTRACK database, then pre-notification must be made by faxing a completed NTS Advance Shipment Notification form to BN at (702) 295-6852 so that it can be entered into the BN HAZTRACK database by 3 PM NTS local time (Mountain Standard Time) at least one working day prior to the shipment arrival. For shipments that will arrive on a Monday, the NTS Advanced Shipment Notification Form must reach BN by 3 PM NTS local time (Mountain Standard Time) the previous Thursday.

Note: For shipments that contain asbestos waste or classified waste, the NTS Advanced Shipment Notification Form must be faxed to BN at least 7 days prior to the shipment arrival.
